- *Valid at all times until 0400 the day after expiry.*
- *Not valid on night buses*
- *Travel is only permitted where evidence of a valid ticket can be provided to the driver as you board the vehicle. **It is your responsibility to ensure your phone battery has enough power to last your journey(s) - no power means no visible ticket and travel will be refused.** If you are not able to power your phone to show your ticket to the driver then you will be required to purchase another ticket for your journey from the driver as you board.*
