We will end our Campus Tours in this suite to allow you time to explore.

Fully immerse yourself in a variety of health environments and scenarios. Our brand new interactive Immersive Rooms combine innovative technology, augmented reality, interactive 3D graphics and audio content to form a creative multi-sensory learning space.

Running on the very latest cutting-edge technology, the Immersive Rooms allow for visual, auditory and sensory immersion. You can interact with the environments and objects projected onto the walls by simply walking up and touching them.

The space allows students across the Institute of Health to engage in fully immersive simulations that can take them anywhere – from the home of a 70-year-old dementia patient to the site of a motorway accident – within seconds.

All our scenarios are created in-house and are tailored exactly to the relevant health profession and learning outcomes of each session.

STUDENT LIFE

SPORT AND ACTIVITIES

We want to ensure your wellbeing and mental health are being cared for, which is why we encourage all students to have a healthy balance of work and play. Physical activity can help boost self-esteem, mood, sleep quality, and energy, so let's take a look at what you can do to keep fit and active during your time at university.

UoC Active offers a variety of facilities and services at our Ambleside, Carlisle, and Lancaster campus locations, with our sport and fitness centres catering for a wide range of activities through UoC Active Play. Our facilities also have air-conditioned fitness suites, with year-round class timetables offering Pilates, bootcamps, yoga, and strength and cardio sessions. Our Lancaster campus also has grass football and floodlit artificial turf pitches.

As well as affordable campus memberships, we offer great deals on premium membership packages, which include access to our partner facilities at Better Leisure and Salt Ayre Leisure Centre. UoC Active is also part of the BUCS UNiversal Scheme, which allows access to fitness facilities at universities all around the country.

GROUPS & SOCIETIES

Through our Students' Union, we have a range of groups available to our students, including Women's Hockey, Mountaineering, Paddling, Christian Union, South Asian Society, Men's Hockey, and more.

At each of our campus locations, we can also help you find groups and societies which are available to the wider community outside of the university. SU Sports teams also have the opportunity to take part in BUCS leagues.

CARLISLE

Brimming with culture and a dynamic student scene, Carlisle is a vibrant Cumbrian city, with great restaurants, welcoming parks, and Instagrammable hidden gems. When you're not hitting the library, discover the beautiful architecture of Carlisle Castle and Cathedral, browse the city's quirky, independent shops, or catch live music and comedy at the Sands Centre.

In between lectures, our thriving city is the perfect place to discover new passions. From bouldering, swimming and hiking to axe throwing, bowling and escape rooms, there are so many ways to spend your downtime close to campus.

Carlisle's cultural calendar is studded with fun events throughout the year, too. Grab your friends and sample ales and ciders at the Carlisle Beer Festival or enjoy live music and comedy at the Old Fire Station. The city's nightlife is plentiful, with everything from cocktail bars to pubs and clubs.

Striking the right balance of entertainment, culture, and countryside, Carlisle has everything you need to make your time at university memorable.

YOUR HOME AT CUMBRIA

Imagine waking up to the smell of coffee brewing and the sound of flatmates chatting. Leave the comfort of your warm, cosy bed and open your curtains to a view of a green campus and old heritage stone walls.

For first year students, accommodation is at the heart of the university experience, where lasting friendships are made, memorable experiences are created, and important life skills are formed.

Whichever location you decide, this is your home and your story.

Accept Your
Offer Here

How to accept a university offer

If you've received all your offers and you've decided you'd like to join us at Cumbria this September, you can make us your firm choice by logging into the UCAS Hub.

If you are replying to an unconditional offer, then accepting the offer will confirm your place on the course! If you are replying to a conditional offer, then you will also need to select an insurance choice. Once you get your results in August, your place at Cumbria will be confirmed.

Read the conditions of your offer carefully

Before you reply to a conditional offer, make sure you have a clear understanding of what the university requires from you. If you're uncertain about anything, get in touch with the university and ask them to clarify the conditions.

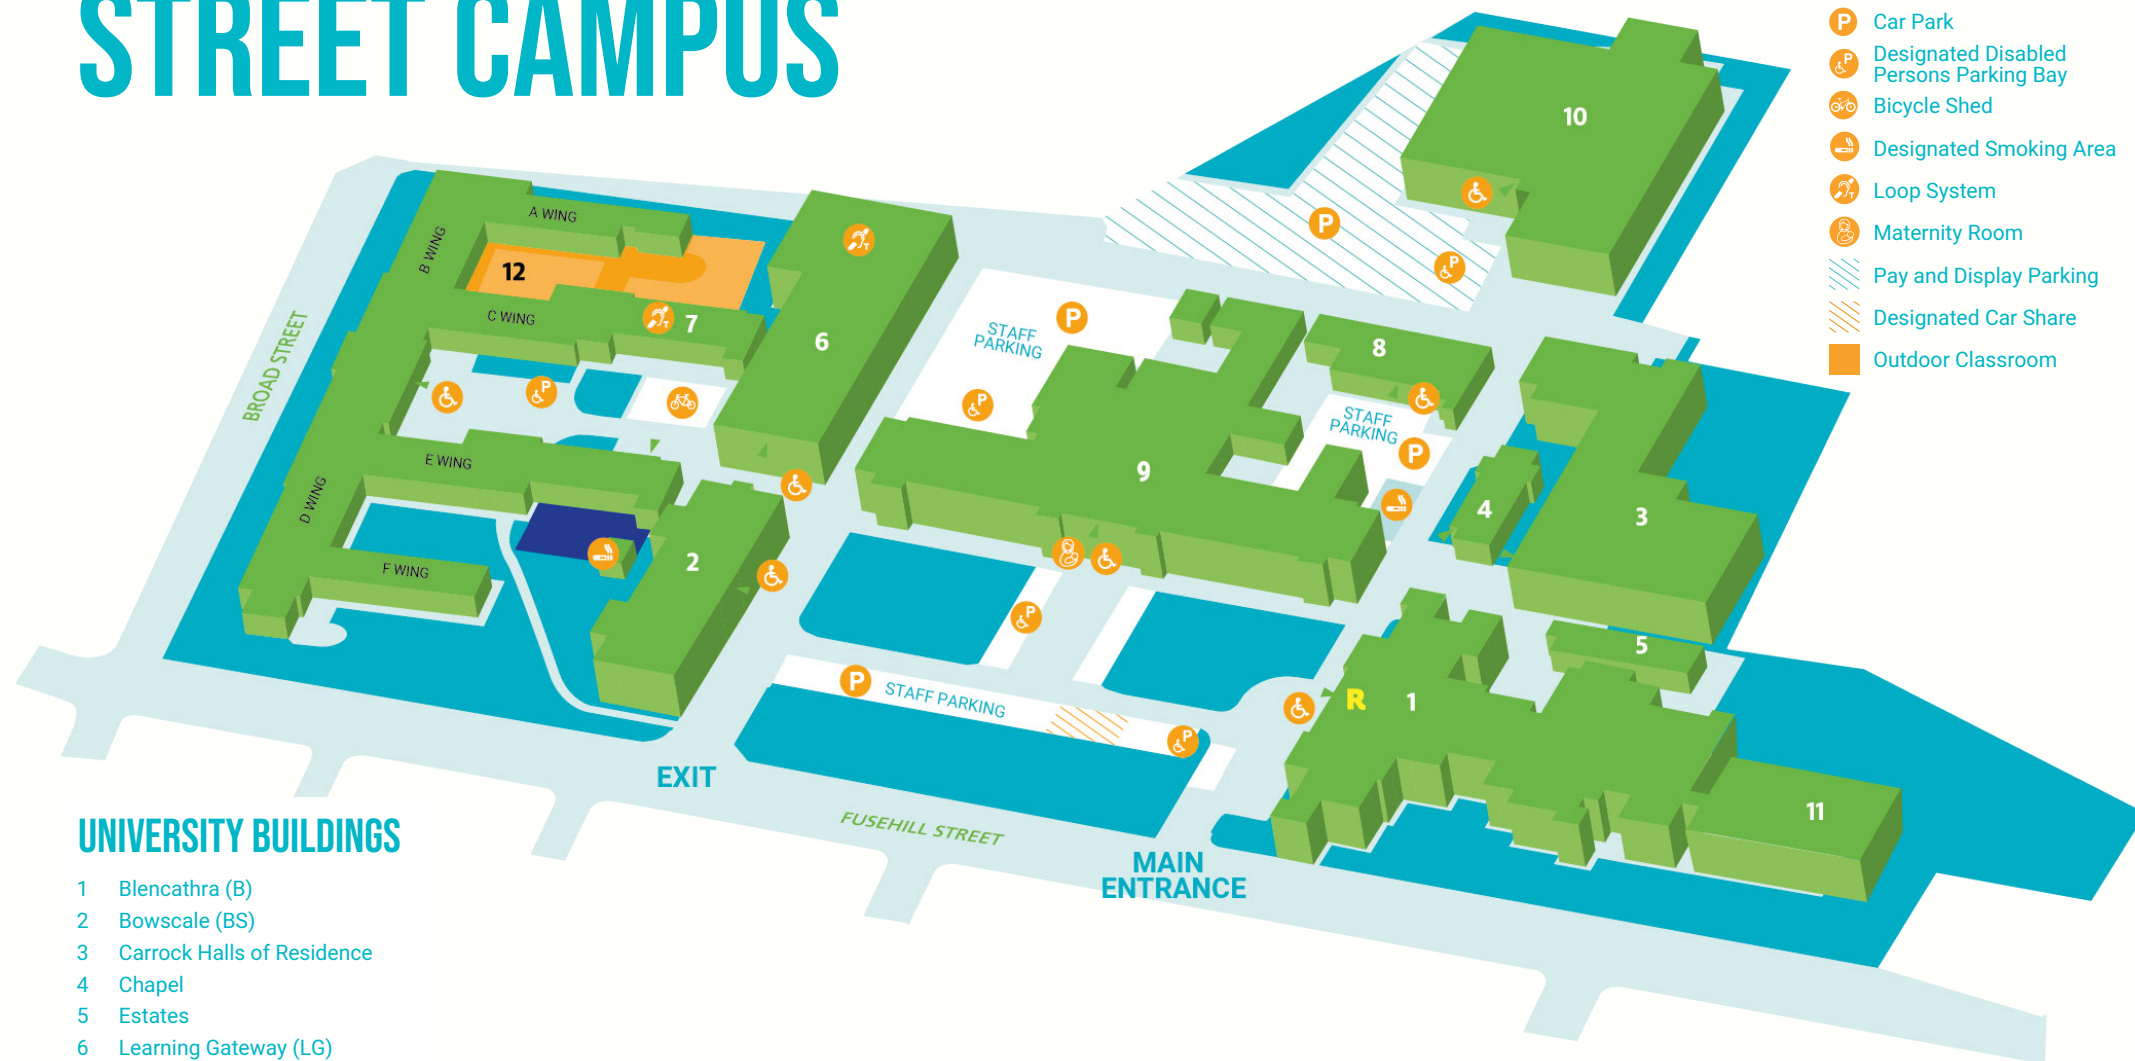

Talk through your decision

If you're trying to decide which offers to accept, speak to your family, friends and teachers about what you're thinking as they might provide perspectives you haven't considered before. At Cumbria, we're happy to answer any questions you have about your offer. You can also speak to current students to find out more about what it's like to be part of our community.
