HEALTH SIMULATION SUITE

We will end our Campus Tours in this suite to allow you time to explore.

Fully immerse yourself in a variety of health environments and scenarios. Our brand new interactive Immersive Rooms combine innovative technology, augmented reality, interactive 3D graphics and audio content to form a creative multi-sensory learning space.

Running on the very latest cutting-edge technology, the Immersive Rooms allow for visual, auditory and sensory immersion. You can interact with the environments and objects projected onto the walls by simply walking up and touching them.

The space allows students across the Institute of Health to engage in fully immersive simulations that can take them anywhere – from the home of a 70-year-old dementia patient to the site of a motorway accident – within seconds.

All our scenarios are created in-house and are tailored exactly to the relevant health profession and learning outcomes of each session.

Location: Alexandra Building 002

TRAVEL SUPPORT SCHEME

The University of Cumbria is committed to supporting those holding an offer with us to be able to attend an Offer Holder Day – we know experiencing your chosen course and campus in person plays a huge part in your decision making.

We can provide a contribution of up to £50 towards your travel costs dependent on the total mileage travelled to and from the event within the following bands:

30 - 50 miles: £20

51 - 100 miles: £30

101 - 150 miles: £40

151+ miles (& Northern Ireland): £50

This scheme is only applicable to the offer holder. All claims must be made at the time of attending your chosen event and payment will be made directly into your bank account within three weeks of your visit date.

Full terms and conditions apply, please visit www.cumbria.ac.uk/events/offer-holder-days/ for further information.

STUDENT LIFE

SPORT AND ACTIVITIES

We want to ensure your wellbeing and mental health are being cared for, which is why we encourage all our students to have a healthy balance of work and play. Physical activity can help boost self-esteem, mood, sleep quality, and energy, so let's take a look at what you can do to keep fit and active during your time at university.

UoC Active offers a variety of facilities and services at our Ambleside, Carlisle, and Lancaster campus locations, with our sport and fitness centres catering for a wide range of activities through UoC Active Play. Our facilities also have air-conditioned fitness suites, with year-round class timetables offering Pilates, bootcamps, yoga, and strength and cardio sessions. Our Lancaster campus also has grass football and floodlit artificial turf pitches.

As well as affordable campus memberships, we offer great deals on premium membership packages, which include access to our partner facilities at Better Leisure and Salt Ayre Leisure Centre. UoC Active is also part of the BUCS UNiversal Scheme, which allows access to fitness facilities at universities all around the country.

GROUPS & SOCIETIES

Through our Students' Union, we have a range of groups available to our students, including Women's Hockey, Mountaineering, Paddling, Christian Union, South Asian Society, Men's Hockey, and more.

At each of our campus locations, we can also help you find groups and societies which are available to the wider community outside of the university. SU Sports teams also have the opportunity to take part in BUCS leagues.

LANCASTER

Lancaster is the ultimate university city, with everything you could ever need right on your doorstep. Take in the rich history at Lancaster Castle, immerse yourself in the local arts scene at the Grand Theatre, or wander the cobbled streets and discover quirky shops and quaint cafés at every turn.

Bustling markets bring a whole new level of excitement to town, with the city centre filling with delicious smells and the sounds of sizzling pans from the street food stalls. After you've sampled a new cuisine, head along the canal or venture to Williamson Park for a picturesque walk.

As the sun sets, join the buzzing student nightlife scene that's made up of numerous clubs, bars, and music venues.

For a break from the bustle of city life, the coastal resort of Morecambe Bay is just a short bus ride away. The stunning Lake District National Park is within easy reach too, so whether you want to get in touch with your adventurous side or immerse yourself in nature, there's no shortage of new things to try or scenery to enjoy (and snap for sharing on your socials!).

With the perfect balance of city buzz and natural beauty, Lancaster has everything you need to make your university days unforgettable.

YOUR HOME AT CUMBRIA

Imagine waking up to the smell of coffee brewing and the sound of flatmates chatting. Leave the comfort of your warm, cosy bed and open your curtains to a view of a green campus and old heritage stone walls, or the stunning London city skyline, or maybe the rolling Lake District hills.

For first year students, accommodation is at the heart of the university experience, where lasting friendships are made, memorable experiences are created, and important life skills are formed.

Whichever location you decide, this is your home and your story.

Accept Your
Offer Here

How to accept a university offer

If you've received all your offers and you've decided you'd like to join us at Cumbria this September, you can make us your firm choice by logging into the UCAS Hub.

If you are replying to an unconditional offer, then accepting the offer will confirm your place on the course! If you are replying to a conditional offer, then you will also need to select an insurance choice. Once you get your results in August, your place at Cumbria will be confirmed.

Read the conditions of your offer carefully

Before you reply to a conditional offer, make sure you have a clear understanding of what the university requires from you. If you're uncertain about anything, get in touch with the university and ask them to clarify the conditions.

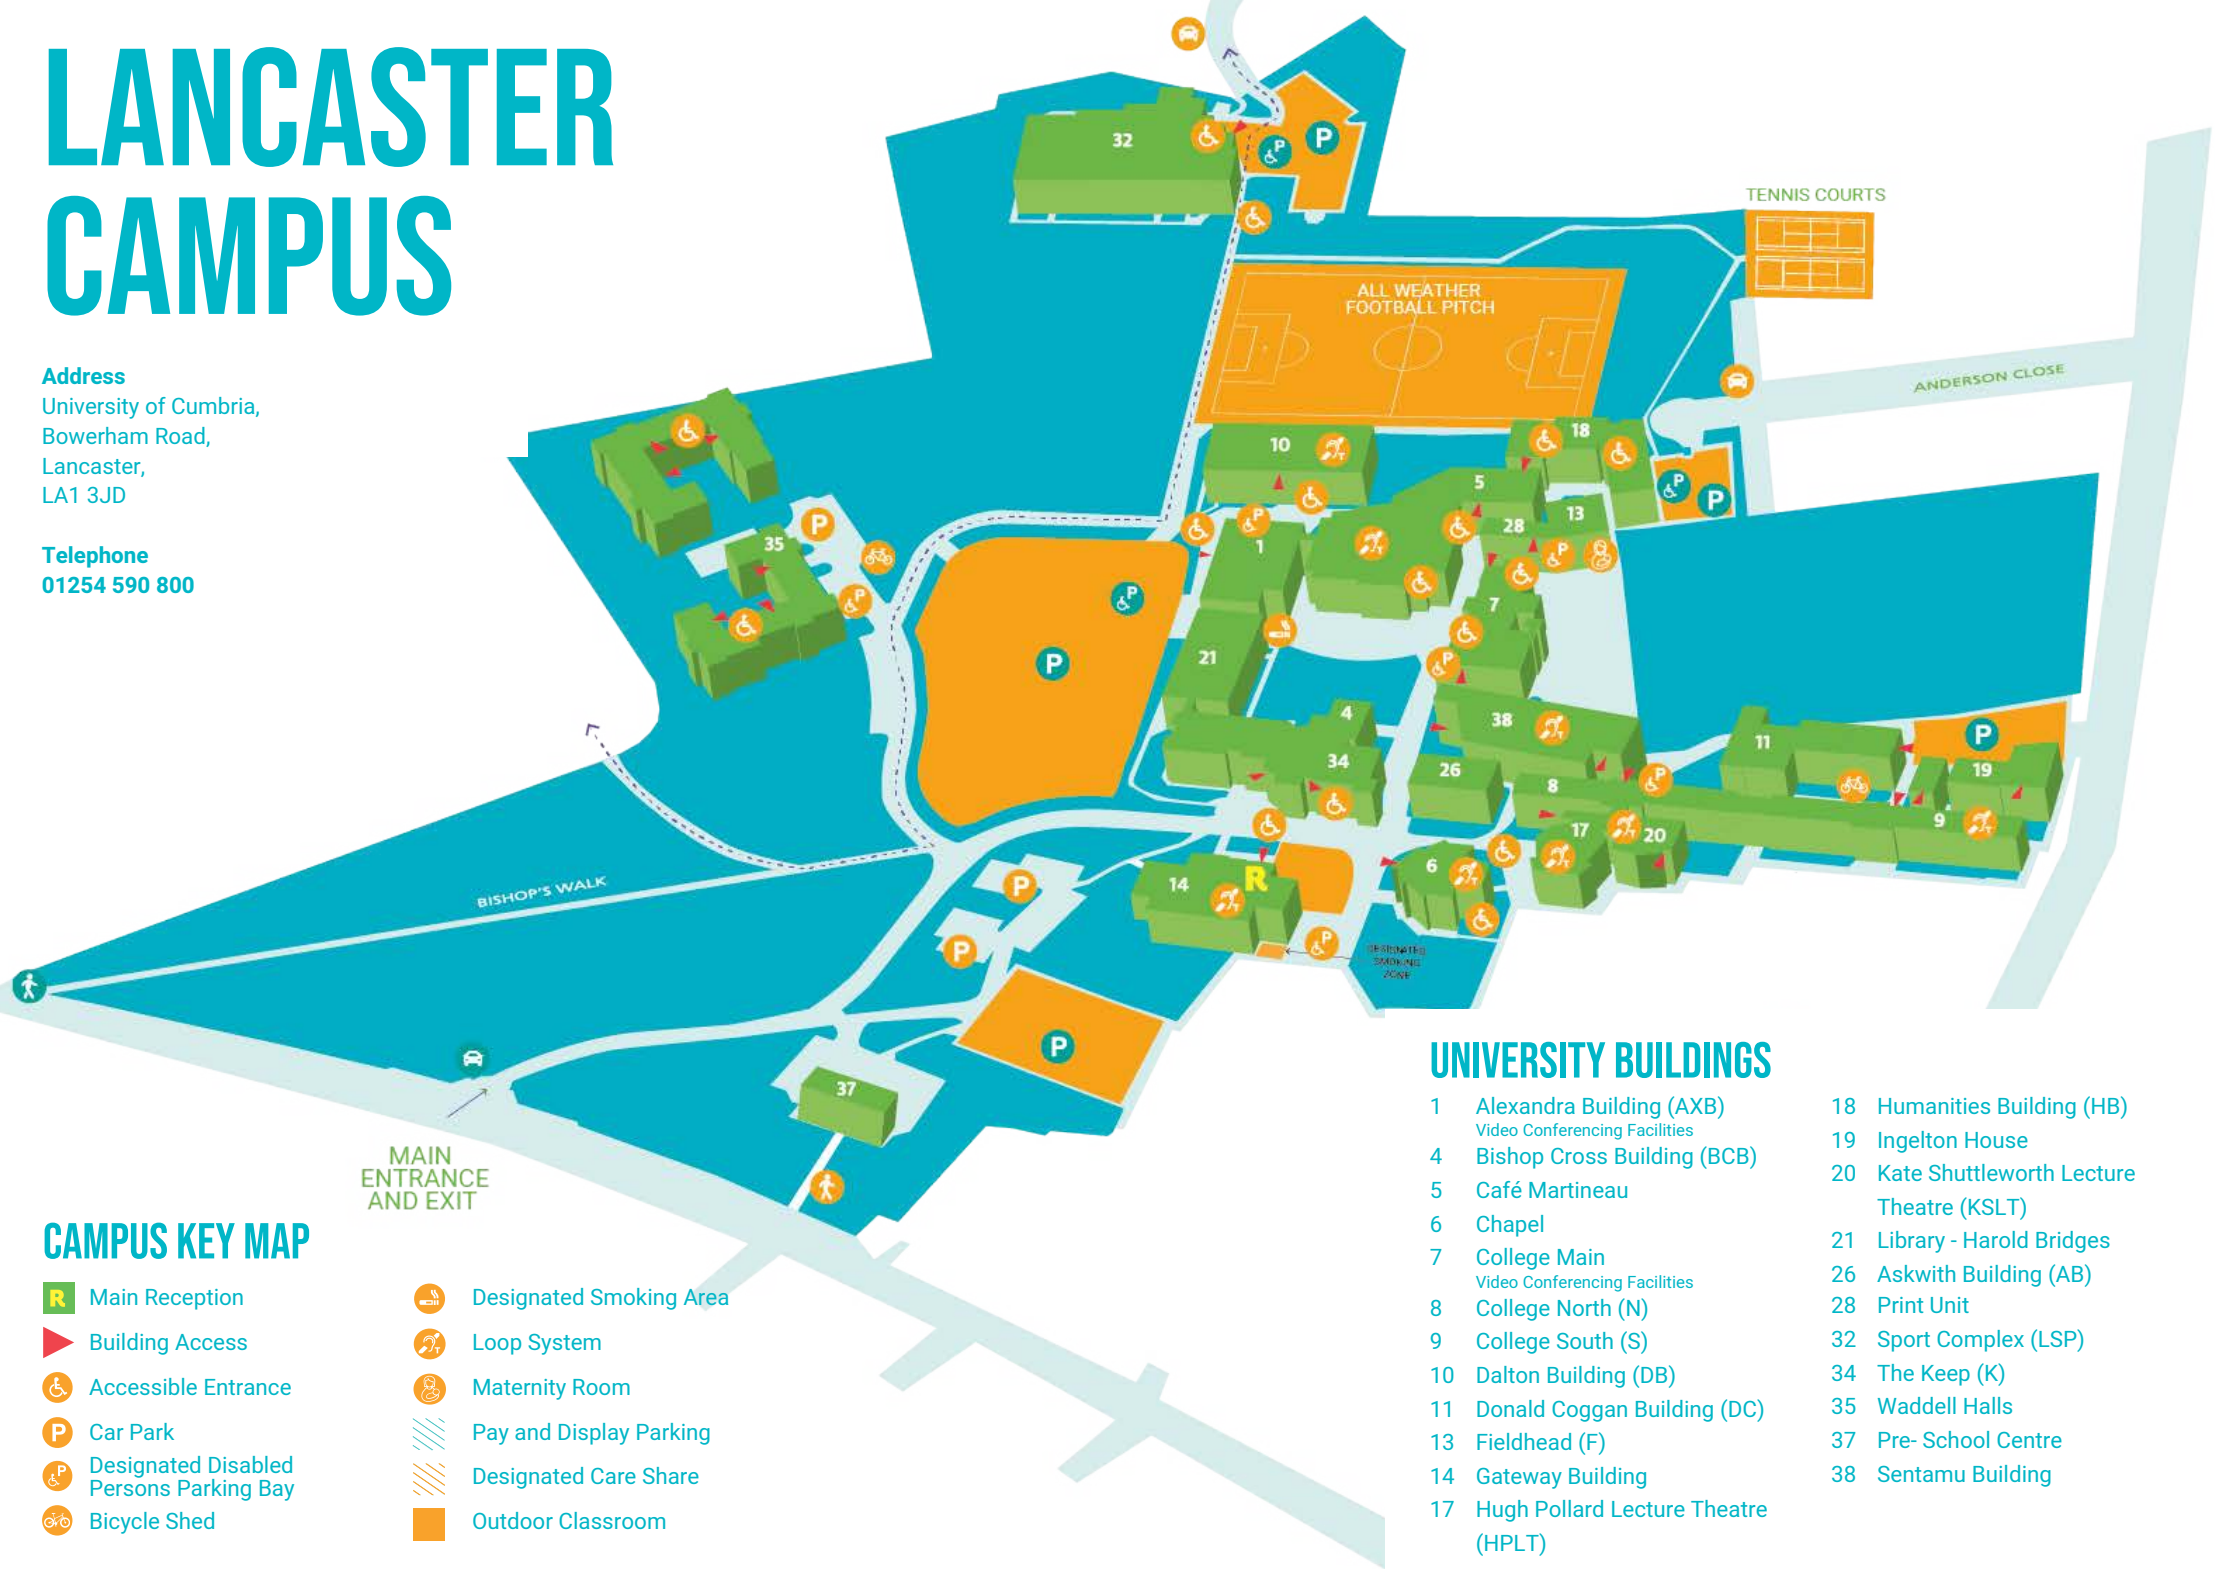

Talk through your decision

If you're trying to decide which offers to accept, speak to your family, friends and teachers about what you're thinking as they might provide perspectives you haven't considered before. At Cumbria, we're happy to answer any questions you have about your offer. You can also speak to current students to find out more about what it's like to be part of our community.
