STUDENT LIFE

SPORT AND ACTIVITIES

We want to ensure your wellbeing and mental health are being cared for, which is why we encourage all our students to have a healthy balance of work and play. Physical activity can help boost self-esteem, mood, sleep quality, and energy, so let's take a look at what you can do to keep fit and active during your time at university.

UoC Active offers a variety of facilities and services at our Ambleside, Carlisle, and Lancaster campus locations, with our sport and fitness centres catering for a wide range of activities through UoC Active Play. Our facilities also have air-conditioned fitness suites, with year-round class timetables offering Pilates, bootcamps, yoga, and strength and cardio sessions. Our Lancaster campus also has grass football and floodlit artificial turf pitches.

As well as affordable campus memberships, we offer great deals on premium membership packages, which include access to our partner facilities at Better Leisure and Salt Ayre Leisure Centre. UoC Active is also part of the BUCS UNiversal Scheme, which allows access to fitness facilities at universities all around the country.

GROUPS & SOCIETIES

Through our Students' Union, we have a range of groups available to our students, including Women's Hockey, Mountaineering, Paddling, Christian Union, South Asian Society, Men's Hockey, and more. At each of our campus locations, we can also help you find groups and societies which are available to the wider community outside of the university. SU Sports teams also have the opportunity to take part in BUCS leagues.

GREAT OUTDOORS

If you are interested in outdoor pursuits, you are spoilt for choice by the huge range of opportunities available on your doorstep, including fell running, mountain biking and sailing. Our Ambleside campus is set in the heart of the Lake District, a UNESCO World Heritage site, meaning students have easy access to the best adventure playground.

Accept Your
Offer Here

How to accept a university offer

If you've received all your offers and you've decided you'd like to join us at Cumbria this September, you can make us your firm choice by logging into the UCAS Hub.

If you are replying to an unconditional offer, then accepting the offer will confirm your place on the course! If you are replying to a conditional offer, then you will also need to select an insurance choice. Once you get your results in August, your place at Cumbria will be confirmed.

Read the conditions of your offer carefully

Before you reply to a conditional offer, make sure you have a clear understanding of what the university requires from you. If you're uncertain about anything, get in touch with the university and ask them to clarify the conditions.

Talk through your decision

If you're trying to decide which offers to accept, speak to your family, friends and teachers about what you're thinking as they might provide perspectives you haven't considered before. At Cumbria, we're happy to answer any questions you have about your offer. You can also speak to current students to find out more about what it's like to be part of our community.
