# HEALTH SIMULATION DROP-IN

Fully immerse yourself in a variety of health environments and scenarios. Our brand new interactive Immersive Rooms combine innovative technology, augmented reality, interactive 3D graphics and audio content to give a creative multi-sensory learning space.

Running on the very latest cutting-edge technology, the Immersive Rooms allow for visual, auditory and sensory immersion, as well as letting students interact with the environments and objects projected onto the walls by simply walking up and touching them.

The space allows student cohorts across the Institute of Health to engage in fully immersive simulations that can take them anywhere – from the home of a 70-year-old dementia patient to the site of a motorway accident – within seconds.

All our scenarios are created in-house and are tailored exactly to the relevant health profession and learning outcomes of each session.

# LANCASTER

Lancaster is the ultimate university city, with everything you could ever need right on your doorstep. Take in the rich history at Lancaster Castle, immerse yourself in the local arts scene at the Grand Theatre, or wander the cobbled streets and discover quirky shops and quaint cafés at every turn.

Bustling markets bring a whole new level of excitement to town, with the city centre filling with delicious smells and the sounds of sizzling pans from the street food stalls. After you've sampled a new cuisine, head along the canal or venture to Williamson Park for a picturesque walk.

As the sun sets, join the buzzing student nightlife scene that's made up of numerous clubs, bars, and music venues.

For a break from the bustle of city life, the coastal resort of Morecambe Bay is just a short bus ride away. The stunning Lake District National Park is within easy reach too, so whether you want to get in touch with your adventurous side or immerse yourself in nature, there's no shortage of new things to try or scenery to enjoy (and snap for sharing on your socials!).

With the perfect balance of city buzz and natural beauty, Lancaster has everything you need to make your university days unforgettable.
