*Travel and subsistence for off-campus data collection, project meetings, conferences/research symposia (match-funded by appropriate RIS/external funding). Fees/charges for conferences (match-funded by appropriate RIS/external funding), publication, health, safety and well-being requirements, specialist services such as translation. Consumables of modest cost to support data collection/analysis activity and to meet health and safety requirements. Specialist hardware or software of modest cost specific to the project.

Research students writing-up/extension In Year 1 of writing up the fee is payable for year or part year.	Year 1	£600
	Year 2	£1200
	Year 3	£1800
*If the thesis is submitted within 3 months of the start of Year 2 or 3 writing up, the fee will be reduced by 50%.		

Stipend for Funded Studentships for 2025-26 is £20,780 per annum.

Fees for Taught PhDs

MRes and DProf

	Annual Fee 2025-26	
	Home/EU	International
MRes (2 years)	3,600	6,750
DProf *	5,650	8,550

*Following successful completion of the MRes the DProf can be completed within three further years (maximum registration is seven years).

DBA

	Annual Fee 2025-26	
	Home/EU	International
DBA years 1-4	5,650	11,010
DBA year 5	3,030	6,140

Retake/resubmission Fees

Programme	Fee
PhD (all formats) Resubmission	500
DBA Years 1-2	Retake fees for the level 7 modules taken in Years 1 and 2 are pro-rata, eg, 30-credit module retake fee would be charged at one third of the annual fee.
DBA Year 5 Resubmission	500
MRes Year 1	Retake fees charged pro-rata for the number of credits being retaken. Year 1 consists of two 40-credit modules and therefore the retake fee would be 50% of the annual fee.
MRes Year 2	Retaking Year 2 following the exhaustion of all permitted resubmissions incurs a full year fee.
DProf Resubmission	500
